

JUNE 4, 2023

With over 4,000 runners expected, the Kaiser Permanente Women's Fitness Festival 5K/10K is a fantastic way for your business to showcase itself at the Fitness Festival expo. Our runners are eager to experience the latest trends in fitness, learn something new about nutrition and discover their next challenge. All of this and more awaits them as they mosey through the Fitness Festival expo area after the race. Don't miss this one-of-a-kind opportunity to share your expertise, business and/or product with our runners.

To be considered for a booth at the expo, please read the information below and fill out the application. All applications due by May 15, 2023. Please send completed application to Karen Henry, via email to karen.henry@fleetfeet.com. You will be notified of acceptance into the Fitness Festival by May 17, 2023.
