

Life After Cancer Treatment

After treatment, you may feel a sense of relief but also wonder what's next. We know recovering from cancer treatment can take time. We're here to provide our patients with ongoing care and support.

Visit kpdoc.org/survivorship or scan the QR code to learn how we:

- Create a personalized plan for follow-up care.
- Reduce the risk of cancer returning with screenings and guidance on lifestyle changes.
- Help you cope with any emotional and physical changes you may experience.
- Support your return to a more normal life.
